## ABSTRACT

**De Flores, Maria P. 2022. Humor in Deddy Corbuzier's *Somasi*. English Literature Study Program. Faculty of Language and Literature. Flores University. Advisor: Dr. Simon Sira Padji, M.A. & Gratiana Sama, S.Pd., M.Hum.**

This research aimed to find out the forms of humor in the stand-up comedy video entitled "*Somasi*". This research is based on the theory proposed by Martin (2018:21). The object of this research was the utterances spoken by comics during stand-up. The data in this study were obtained using observation and documentary analysis methods. The qualitative descriptive method was used to provide a comprehensive description of the forms of humor in stand-up videos.

The results of this study show that utterances of comics contain several forms of humor. These types include jokes, spontaneous conversational humor which consists of sarcasm, satire, overstatement and understatement, self-deprecation, teasing, replies to rhetorical questions and clever replies to serious statements. Unintentional humor does not occur in the data. The reason why this one does not occur is because it is not a form of humor that can easily be found in everyday conversation.

**Key words:** *stand-up comedy, humor, discourse analysis.*
