ACKNOWLEDGEMENTS

Praise and thanks to the Almighty God for His blessings and grace, which helped me finish this undergraduate thesis, entitled Hero's Journey Based on Maria's Adventure in Eleven Minutes by Paulo Coelho.

Appreciation and thanks to Mrs. Febe F. Irawati Wanggai, S.S., M.Hum, and Mrs. Yuliana M.D. Karmel Kara, S.P.D., M.P.D., as my first and second advisors, who have always been humble and helped me a lot in order to finish this undergraduate thesis. Special thanks are also given to all the people around me who have been my inspiration figures every day, especially my father and my mother (Bapa Nende and Mama Encik) and my siblings (Illa, Okeng, and Qyno), who have always supported me with words of motivation and especially lots of money. And also a million thanks to my friends, who baptised themselves as the colony of weirdos (luckily, I decided to mention you're all here, Raviola, Priskalia, Ranti, Rion, and Salma) who never stop asking me to do my best; you're all such angels of light for my dark life. God knows why you are all so special to me.

Thanks to all the depressed people out there who have always been my inspiration to finish this kind of work. This thesis is a special present to you, and remember one thing: a good thesis is a finished one. Everyone could be a hero, even though they have different ways to be a hero.

Last but not least, as an imperfect writer, I appreciate all the constructive criticism and suggestions for this undergraduate thesis. Hopefully, this undergraduate thesis will be insightful to the readers.
